Can you help?

Can anyone help us to clear up after the show? There are usually 5-6 members helping to dismantle the staging and return it to the boiler house. The hall also needs to be swept and vacuumed before all the tables and chairs are stacked away in the main hall. Your support in helping with this would be most appreciated.

Thank you

Mr K Bradbury (Chairman)

Don't forget, if you have any bird equipment you want to sell, bring it along and we will sell it for you. You can either donate proceeds to the club or the club will take 15% for selling them for you. Any unsold goods, please take home. Thank you.
